Gymtowne Has An Excellent Coaching Staff

We pride ourselves on giving you an excellent gymnastics coaching staff. Every year, we send our coaching team to the **USAG Congress** to fine tune their skills and learn new techniques.

Our newly hired coaches also go through an extensive training program with Gymtowne's veteran coaches before teaching their own classes. Yearly safety training and CPR courses are also required.

Each coach has their own technique, but together, we offer your child the best gymnastics experience available!

Gymtowne's Annual Price Adjustment Begins with September Tuition

Gymtowne made a small adjustment in tuition to compensate for increased costs such as rising operating costs and general inflation.

The new tuition rates are effective August 27, 2018.

Tuition for most classes will be increased by approximately 3%. However, the sibling discount remains at 15% off all additional tuition.

Team Tuition was previously adjusted.

Be sure to take advantage of our continuing prompt payment discount of \$3.00 off your total monthly tuition if it's paid before the first of the month.
